Assessment Requirements

Go to www.ets.org for test registration, dates and locations

All applicants must meet the following Rhode Island assessment requirements:

- Applicants must achieve a passing score of 157 on the Principals of Learning and Teaching Grades 7-12 (5624).
- Applicants must take and pass the NOCTI test in the following areas: Administrative Assisting, Advertising and Design, Architectural Drafting, Audio-Visual Communications Technology, Automotive Technician, Building Construction Occupations, Building Trades Maintenance, Cabinetmaking, Carpentry, Collision Repair and Refinishing Technology, Commercial Foods, Computer Networking Fundamentals, Computer Programing, Computer Technology, Criminal Justice, Diesel Technology, Electrical Construction Technology, Electronics Technology, Graphic Production Technology, Health Assisting, Heavy Equipment Maintenance and Repair, Hospitality Management-Lodging, Industrial Maintenance Mechanics, Logistics, Mechanical Drafting and Design, Painting and Decorating, Plumbing, Precision Machining, Pre-Engineering/Engineering Technology, Protective Services, Retail Merchandising, Small Engine Technology, Technical Drafting, Web Design, Welding
- Applicants prepared in a program where the language of instruction was not English must achieve a passing score of 64 on the Versant Pro Speaking and Writing English assessments.

¹ Full Certification in Rhode Island means a multi-year certificate that demonstrates the educator has met all Rhode Island requirements for certification in the three-tier certification system (Initial, Professional, or Advanced certification). Full Certification does not include Preliminary Certifications which require educators to meet additional requirements to attain full certifications. Full certifications in Rhode Island are comparable to National Association of State Directors of Teacher Education and Certification (NASDTEC) stage three or higher certificates and are recognized by other states for certificate reciprocity.

SECONDARY GRADES CAREER AND TECHNICAL EDUCATION CERTIFICATE (11404) Grades 7 - 12

Current Routes to Certification

Certification may be attained through the following routes:

- **Reciprocity** - Reciprocity is recognition of preparation or certification in another state as comparable to Rhode Island. Applicants seeking certification through reciprocity must demonstrate that they meet all Rhode Island certification assessment requirements, hold the additional required certificate and meet all experience requirements when applicable. Applicants can attain certification by completing a state approved program for Educator Certification in a state other than Rhode Island within the last 5 years OR by demonstrating that they hold a currently valid full certificate in another state.
- **RIDE Credential Review** : Applicants who have not completed an approved program can be certified by RIDE Credential Review by presenting evidence of the following:
 - Holds a Bachelor's degree from a regionally accredited institution
 - 5 years of work experience for the specific career and technical area;
